

Coming Up

© June 22, 2003 by Paul Turner

I joined the Boy Scouts,
went to the planetarium,
had soda pop with Uncle Ray,
studied the dinosaurs,
created a presidential diorama,
waltzed with mama,
played little league,
built models of fighter planes,
swam the butterfly stroke at camp,
read Rudyard Kipling,
tried watercolors,
went to the candy store.

Now I'm well rounded.
